

	<p>IDEM Permit Guide: IDEM Permitting Contact List</p> <p>www.IN.gov/idem/guides/permit/contacts.html</p>
---	---

Please note that Indiana Residents may call IDEM toll free at 1-800-451-6027, press "0" and then ask for one of the contacts below or give the operator the extension associated with one of the contact names below. The extension is the last 5 numbers of the IDEM contact's phone number.

Air Permitting

Permit Reviewer of the Day - 317/233-0178

Contact the IDEM Office of Air Quality (OAQ) Permit Reviewer of the Day at (317) 233-0178. The OAQ Permit Reviewer of the Day can answer questions on how to obtain additional information regarding technical, general, or permit specific questions about the air permitting program, or to obtain guidance materials or application forms. You also may send questions to the IDEM Office of Air Quality Permit Reviewer of the Day via e-mail at: OAMPROD@dem.state.in.us.

[A complete OAQ phone list](#) is also available on the OAQ Website.

or training classes are to be held, contact
Kristi Dixon 317/308-3391

Multi-Media Permit Coordination

IDEM Permit Coordination Team

The Permit Coordination Team can serve as a single “entry point” into IDEM, especially for projects that require multiple permits. They can also assist potential applicants with securing the proper applications and direct potential applicants to the appropriate IDEM staff for consultation.

David Parry, Permit Coordinator, 317/233-4638

Matthew Deaner, Assistant Permit Coordinator, 317/233-3187
